New Business:

The purpose of this meeting was to discuss the law suit brought by Ryan & Therese Henry naming William & Patricia Keim and Martiny Township as defendants. The suit is regarding a roadway owned by the township located in Jehnsen Lake Highlands Plat No. 1. The road begins at the public boat launch and runs through lots 20 to 31 between Lakeview Blvd. and the Jehnsen Lake shore line. This dirt road owned by the township is commonly referred to as the "low road". The suit was brought to the townships attention by Mr & Mrs Keim. It should be noted that a this time the Township has not yet been served with the suit.

The Plaintiffs are suing to have ownership of the stated roadway reverted back to the adjoining land owners . This would , in essence, close the road.

Resolution Lois/Connie to not revert the township owned property/roadway referenced in the law suit to the adjoining land owners. Further, any surveys, title work, deed research, etc. regarding this law suit with all associated legal fees be initiated by and paid for the plaintiffs.
